Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Saturday 10 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry, best sun on east coast.

Today:
A mainly dry day with some bright or sunny spells, the best of the sunshine along the east coast, Cloud building further inland and in the west perhaps bringing the odd light shower. Quite warm with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Clouds breaking to bring a sunny end to the day then a dry night with some clear spells, though it will cloud over later in the night. Minimum temperature 13 deg C (55 deg F).

Sunday:
A cloudy morning but mainly dry, then brightening up with sunny intervals and a few showers in the afternoon, locally heavy in the west. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Sunshine and scattered thundery showers on Monday, showers mainly inland. Tuesday and Wednesday will be dry with sunny spells. Warm.
